

# MASTER 2 Research Grenoble / 2025-2026

*iif* Institut  
FOURIER

UGA  
Université  
Grenoble Alpes

Algebraic, Differential and  
Probabilistic Complex Geometry,  
Lie Groups and Discrete Groups

**Preliminary course:**  
Manifolds, Differential forms  
and Sheaves

## Fundamental courses (Fall):

- Complex Algebraic  
Geometry
- Complex Differential  
Geometry
- Lie groups, Lattices

## Advanced courses (Winter-Spring):

- Random Complex  
Geometry
- Complex geometry and  
discrete groups
